

SECOND QUARTER ABSNET MEETING

I- Welcome/ Inspirational Message

Ms. Pilar F. Francisco, OIC IDD Chief, is giving welcome message to the participants of Zamboanga de Sur cluster and encouraging the SWDAs to be all registered, License and eventually be accredited with the DSWD.

Vice Mayor, Hon. Ruben Cad is delivering the message of Mayor, Hon. Rosalina G. Jalosjos. "The city of Dapitan takes another distinct pride as host site of the *ABSNET quarterly meeting for the Dapitan-Dipolog- Zamboangadel Norte Cluster Association*. This administration extends the City governments warm welcome and hearty greetings to all the participating members who are in this important stride for progress and development. Your choice of Dapitan City as the point of convergence and confluence of your assembly augurs well in our continuing bid to promote our city as a premier tourist destination both domestic and foreign. Your trust and confidence will always serve an inspiration and sparkplug in our efforts for a more economic growth and social dividends for our people.

If we have gone this far in our challenging march to go forward to progress and development, we owe this largely to the indispensable complement and continuing support of different entities that have consistently stood behind our cause. And this time, the major thrust of *ABSNET MEMBERS* whose functions are tailored for a flawless and foolproof operation will be another support for us to go forward. Whatever benefits it can generate as a result in its operation in our government system, I am sure that this will trickle down to the less privileged and less fortunate segment of the community. May this activity enable the *ABSNET MEMBERS* to forge a common covenant of commitment for the full development of *Dapitan-Dipolog-Zamboanga del Norte Cluster Association*".

II- Awarding of Certificates

Certificate of Registration was awarded to The Supreme Education Advisory Council.

Ms. Lucy Yrog-Irog, Project Worker, Hangop Kabataan Foundation formally received their Certificate of Registration & Licensing to Operate.
